Software Version 1.7.3

This product was designed and developed by AB Sciex LP ("SCIEX") following a Registered Quality Management System which conforms to current ISO 9001 and ISO 13485 standard requirements. The integrity of the Quality System is routinely audited by the British Standards Institution as meeting the requirements of the above noted ISO standards.

Development documents, procedures, and records are available for review on site at SCIEX. A non-disclosure agreement is required for their review.

5300268

Certified by the following, this the 3rd day of March, 2022.

This document does not indicate compliance with the requirements of any regulatory agency and is not a substitute for proper validation of the Software.
